Fantasticals Launches Puppets To You!

Fantasticals is proud to announce the launch of its sister site www.puppetstoyou.com, a site specialising in all things 'Puppets' including childrens hand puppets, finger puppets, song mitts, puppet show scripts and puppet theatres.

Puppets To You has been set up to provide a dedicated puppet shop for UK customers and to fulfill the large amount of requests for puppets from overseas. We have found that puppets are an incredibly popular toy as their versatility means that as well as being lots of fun they have a huge educational purpose as well. Puppets are popularly used as a teaching aid in baby signing but can also be used with children of all ages and educational needs, for example during "numeracy hour" and literacy hour". For children with special educational needs or speech problems, puppets can be used to engage a child and encourage conversation.

Puppets To You has enabled us to broaden our range of all things puppetry and we now supply character puppets and animal puppets from The Puppet Company, Fiesta Crafts and Manhattan Toy.

If you would be interested in featuring details of our website www.puppetstoyou.com or require any further information please contact us.
